

# Reciprocating Internal Combustion Engines

Prof. Rolf D. Reitz  
Engine Research Center  
University of Wisconsin-Madison

2014 Princeton-CEFRC  
Summer School on Combustion  
Course Length: 15 Hours  
(Mon. – Fri., June 23 – 27, 2014)

prior written permission of the owner, Rolf D. Reitz.

## Acknowledgements

The long-term support of the ERC's Direct-injection Engine Research Consortium member companies (<http://www.derc.wisc.edu/>), Caterpillar Inc., Ford Motor Company, General Motors, the Office of Naval Research, the Department of Energy and the Sandia and Oak Ridge National Laboratories is greatly appreciated. The many contributions of ERC faculty, staff and students are also gratefully acknowledged.
